Section I - Instructions to Applicants

1. Introduction

1.1 Only eligible and accredited Service Providers which have the capacity to develop modelling and improving the main service provision processes of DGMM may submit a Technical Proposal and Financial Proposal. The proposal shall be the basis for contract negotiations and ultimately for a signed contract with the successful Service Provider.

1.2 Service Providers shall not be hired for any assignment that would be in conflict with their prior or current obligations to other procuring entities, or that may place them in a position of not being able to carry out the assignment in the best interest of the IOM.

1.3 IOM is not bound to accept any proposal and reserves the right to annul the selection process at any time prior to contract award, without thereby incurring any liability to the Service Providers.

2. Corrupt, Fraudulent, and Coercive Practices

2.1 IOM Policy requires that all IOM Staff, bidders, manufacturers, suppliers or distributors, observe the highest standard of ethics during the procurement and execution of all contracts. IOM shall reject any proposal put forward by bidders, or where applicable, terminate their contract, if it is determined that they have engaged in corrupt, fraudulent, collusive or coercive practices.

3. Clarifications and Amendments to RFP Documents

3.1 At any time before the submission of the proposals, IOM may amend the RFP. Any amendment made will be made available in writing to all bidders.

3.2 Service Providers may request for clarification(s) on any part of the RFP. The request must be sent in writing or by standard electronic means and submitted to IOM at the address indicated in page # 2.

4. Preparation of the Proposal

4.1 A Service Provider Proposal shall have two (2) components:

- a) The Technical Proposal, and
- b) The Financial Proposal.

4.2 The Proposal, and all related correspondence exchanged by the Service Providers and IOM, shall be in English. All reports prepared by the contracted Service Provider shall be in English.

4.3 In the Financial Proposal and all reports, Service Providers shall express the price of their services in **Turkish Lira TRY**.

5. Technical Proposal

5.1 The Technical Proposal shall provide the following information using the Service Provider's preferred proposal template:

- a) A brief description of the Service Provider's profile and past performance/experience of the same type of the requested activity;
- b) A brief description of methodologies for performing the tasks outlined in the ToRs;
- c) Sample of the scenario of the TV and radio spots;
- d) Service provider valid registration documents and taxation certificates.

6. Financial Proposal

6.1 The Financial Proposal shall follow the Service Provider's preferred template, with as much detail as possible, including unit costs;

6.2 The Financial Proposal shall include all costs associated with the assignment, including (i) remuneration for the facilitators (ii) expenses such as production cost, and operational cost, as transportation, etc, and (iii) all applicable taxes. Activities and items in the Technical Proposal not priced shall be assumed to be included in the prices of other activities or items.

6.3 Terms of payment and payment method shall be clearly specified in the proposal and further discussed during the negotiations, as stated in section 8.2.

7. Evaluation

7.1 IOM shall evaluate the Proposals on the basis of their responsiveness to the ToRs and compliance to the RFP requirements, as well as the following:

- (i) Experience and past performance of the Service Provider relevant to the assignment;
- (ii) Adequacy and relevance of the offer and proposed methodologies;
- (iii) The Financial Proposal;
- (iv) Proposed terms of payment;

- (v) Delivery schedule; and,
- (vi) The Proposal contains all information specified in articles 4, 5 and 6. If any of the requested information is missing or is incorrect, the application may be rejected on that **sole** basis and the application will not be evaluated further.

7.2 The Proposals that pass the first administrative check will be evaluated on the relevance and design of the proposed action.

8. Negotiations

8.1 Contract negotiation is expected to take place no more than one week after notification of the successful bidder.

8.2 Negotiation will include discussion and finalization of: a) the ToRs and Scope of Services; b) the methodology and work program proposed by the Service Provider; d) the Financial Proposal submitted; e) payment terms; and f) the contractual terms. All agreements coming out of the negotiations will be incorporated into the contract.

9. Award of Contract

9.1 Following negotiations, the contract will be awarded to the selected Service Provider. Service Providers which do not receive notification before the 30th of June 2018 can consider their bids unsuccessful.

10. Confidentiality

10.1 Information relating to the evaluation of proposals and recommendations concerning awards shall not be disclosed to the Service Provider who submitted Proposals or to other persons not officially concerned with the process.

10.2 IOM shall not disclose any information in the application to any third party. IOM will however archive all applications for auditing purposes.

Terms of Reference

1. Background Information

Within the Ministry of Interior, Directorate General of Migration Management, the Department of the Protection of Victims of Human Trafficking expressed a need to run an awareness raising announcement broadcasted on TV and radio to increase the awareness towards the victims of human trafficking, which is planned to start to be broadcasted by the 30th of July, World Day against Trafficking in Persons. This Request for Proposal is to find the most convenient Service Provider which could,

- 1) Create a media strategy from scratch including the scenario and communication plan and produce TV and radio spots which fulfill the quality requirements to be broadcasted on national channels
- 2) Develop the media content according to the messages which target to be reached out to the society
- 3) Find Turkish opinion leaders as artists and actors to voluntarily perform for the media produced.
- 4) Work fast and effective since there will be a very limited time frame both for the creation and implementation of the produced medias.

2. Beneficiaries

The immediate beneficiaries of this project will be the headquarter and provincial units of DGMM.

3. Overall timeframe and duration

This component of the project is planned to last from mid-June 2018 to 10th of July 2018. Throughout this period, the Service Provider will deliver a media strategy and content ideas, find eligible artists and actors to perform on the media, and produce the media of the selected scenario.

4. Objective

The objective of this activity is to raise awareness among society towards the victims of human trafficking.

5. Detailed information on the activity

1. Development of a public awareness campaign idea:

The Service Provider is expected to create a unique raising awareness campaign idea which will be implemented by the production of a TV and a radio spot.
